PROFILE

I am a beginner-level graphic designer and editor with a strong interest in visual storytelling. I work on photo and video editing using tools like CapCut, KineMaster, Canva, and Alight Motion. I am continuously learning new design techniques and improving my creative skills to produce clean and engaging visual content.

WORK EXPERIENCE

Airis-SH | Symphonix

Product & Graphic Design

2025

- Edited project-related videos with clean cuts, basic transitions, and text animations
- Used CapCut, KineMaster, Canva, and Alight Motion for video and visual enhancements

Freelance Experience

Graphic Design

2024 - Present

- Created and edited videos for academic and personal projects
- Applied basic motion effects, captions, and audio syncing using CapCut, KineMaster, Canva, and Alight Motion
