

**ABOUT ME**

Within 2.5 years, I transitioned from UX design in a 20-person startup to product management in a 350+ employee company. My biggest strengths are independent thinking and learning all the time. I am open to remote work.

**EDUCATION**

B.Des Indian Institute of Information Technology, Design and Management, Jabalpur (IIITDM) 2016-2020

**PROFESSIONAL ACHIEVEMENTS**

1. Built a pet food D2C brand from the ground up, achieving \$150k ARR by the end of the first year.
2. Built a product from the ground up to \$575k ARR in 6 months. (BizAnalyst)
3. My research led to \$10 Mn acquisition of BizAnalyst company by Khatabook (Khatabook)
4. Won honorable mention award, UN LeNS International Student Design Competition, 2018

**PROFESSIONAL EXPERIENCE**

CATCO, CO-FOUNDER Jan'23 to May'24

- Project Experience**
1. Built a pet food D2C brand from scratch, achieving \$150k ARR by the end of the first year.
  2. Led R&D operations comprising product development, testing and setting up efficient pipelines.
  3. Led all aspects of operations, handled manufacturing & QA, set up the entire supply chain, and drove cost savings.

KHATABOOK (BIZANALYST), ASSOCIATE PRODUCT MANAGER Dec'21 to Dec'22

- Project Experience**
1. Led the first in-app monetization project for Biz Analyst and scaled it to \$575k ARR in 6 months.
  2. Increased revenue by 10% MoM by enhancing the demo presentation aspect of the sales.
  3. Solved the issues contributing to customer complaints resulting in an NPS jump of 22% (from 43% to 65%)
  4. Solved product gaps that hindered feature adoption and usage by improving the overall architecture of the app which improved MAU by 15%.

KHATABOOK, RESEARCHER Nov'20 to Nov'21

- Project Experience**
1. Worked on the first monetization project of Khatabook which resulted in 50k+ cumulative purchases in the first 6 months.
    - Conducted 100+ qualitative customer interviews to identify problems around collection and their willingness to pay.
  2. Spearheaded major app restructuring of BizAnalyst:
    - Conducted over 200+ qualitative interviews and gathered insights from 50k users regarding collections and automation.
    - Created feature checklist and a product roadmap for the next two quarters.
  3. Established process and structure for the insight team which reduced the overall research time by up to 30%.
  4. Identified opportunity and helped build an access control system resulting in 30% adoption in the first 6 months.
    - Convinced stakeholders with TAM, validated use cases, and customer's willingness to pay
  5. Hired and coached research intern who became full-time researcher.

KHATABOOK, RESEARCH INTERN Jun'20 to Oct'20

- Project Experience**
- Helped build a distributor management system (DMS) which resulted in a \$10 Million Biz Analyst Acquisition:
1. I did ground-level research on the supply chain to identify the target audience and multiple ethnographic studies to understand the user archetype.
  2. Founded BizAnalyst during a brainstorming session and presented the team with an in-depth analysis.
  3. Contributed to the team with market research, competitive analysis, and qualitative research.

KHATABOOK, DESIGN INTERN Dec'19 to May'20

- Project Experience**
- Made designs for play store mandatory compliance, improving onboarding funnel by 3%.
  - Designed a multichannel help section.

IDC, IIT Bombay, DESIGN INTERN May'19 to Nov'19

- Project Experience**
- Designed solutions around navigational issues in the hospital workspace.
  - Proposed solution for the hospital and worked with the medical superintendent for implementation.

- Skills and professional experience**
- Experience building SaaS in B2B and B2C spaces.
  - Experienced with tools like Mixpanel, Tableau, Amplitude, UserTesting, CleverTap, Redash, Excel, Zendesk, Freshdesk, Shopify, Google Analytics, Adobe Suite, Figma and Meta.
  - Familiar with product development lifecycle, agile methodology & product strategizing.
  - Hands-on experience in writing SQL queries.
  - Deep understanding of design thinking.
  - Quantitative research through survey, market research, Userlytics and User-Testing.
  - Qualitative research through usability testing, focus group, literature review and user interview.

- Leadership Experience**
- Co-Founder, Catco
  - Placement Coordinator, Batch 2016
  - Class Representative, Batch 2016
  - Member, Library Committee, IIITDMJ, 2017
  - Sound Director, 1830 Film Crew, 2018
  - Design Head for Tech & Cultural fest, 2018
  - Design Head for Tech & Sports fest, 2017

- Extra-Curricular Achievement**
- Designed 2 international publications at the age of 14, they later became bestsellers under the section 'Arts & Archeology', 2014
