Summary

As a highly experienced Business Development Professional, I have a proven track record of success in the SAAS sales industry, offering cloud-based solutions for customer and employee engagement to enterprises worldwide. My expertise in Strategic Sourcing, Prospecting, Management, Leadership, Interviewing, and Business Communications is backed by years of experience and training.

I am proficient in various sales tools, including Freshsales, Hubspot, ZoomInfo, Builtwith, Outreach, LinkedIn SalesNavigator, Lusha, 6sense, Salesforce, and SalesLoft, which have helped me develop effective sales strategies, execute successful sales campaigns, and achieve outstanding results.

Experience

Hubilo

Senior BDR/ Business Development Manager

Dec 2022 - Present

- Leveraged Sales Navigator, ZoomInfo, Lusha, and other prospecting tools to identify the right persona for generating sales opportunities.
- Conducted cold outbound outreach, including cold email campaigns, cold calls, LinkedIn Inmails, and video prospecting, resulting in a 70% increase in lead generation.
- Pitched cutting-edge SAAS event and webinar solutions to support in-person, hybrid, and remote events, leading to an upsurge in sales revenue.
- Consistently pursued cross-selling and upselling opportunities for both lost and won deals.
- Conducted extensive research on the technology stacks of targeted companies, utilizing the appropriate Ideal Customer Profiles (ICPs) to inform outreach and generate high-quality leads.
- One of my key responsibilities **was the mentorship and coaching of the Sales Development Representative (SDR/BDR) team**. I diligently worked with each team member to refine their narrative, enhance their pitch, and develop a compelling communication style that resonated effectively with our target audience.
- **Spearheaded the establishment of the comprehensive outbound process at Hubilo and initiated the entire outbound process**
- Took charge of strategizing account targeting in the US region and building the pipeline
- Utilized **Sales Navigator, ZoomInfo, Outreach, Builtwith, Zoom Intent Data, 6sense, and SalesLoft** to optimize performance and achieve sales targets.
