

**OBJECTIVE**

I have a total 4.4 years of experience in industry and to join a company that offers me a stable and positive atmosphere and inspires me to enhance in Data Science and therefore to innovate the work culture for the betterment of all parties concerned.

**EXPERIENCE**

- **ASIAA DATA | PROJECT EXECUTIVE | 1 YR | MAY 2023 TO MAY 2024**
- **CONNEQT BUSINESS SOLUTION LIMITED | DESKTOP ENGINEER | 1.8 YRS | AUGUST 2021 TO APRIL 2023**
- **ITWIZZ PVT.LTD | SOFTWARE DEVELOPER | 1.6 YRS | MAY 2019 TO DEC 2020**

**SKILLS**

- Python
- Pandas, NumPy, Regex
- Linear & Logistic Regression, Naive Bayes, K-NN, K-Means, SVM, Decision Tree, Random Forest, Lasso, NLP & Time Series
- Deep Learning
- GenAI
- LLM and LSTM
- AWS
- SQL
- Windows, Conda, VS Code
- ML lib & NLP
- Postman
- Excel
- GitHub

**COMPETENCIES**

- Experience using ML libraries, such as scikit learn, Seaborn, Pandas, NumPy, Regex, nltk etc.
- Experience diving into data to discover hidden patterns & modeling them using several regression & classification machine learning algorithms.
- Take ownership of the data science model end-to-end from data collection to model building to monitoring the model in production.
- Deep Learning: Neural Networks, ANN, CNN, DNN, Transfer Learning, Back Propagation, TensorFlow 2.x, Keras
- AWS: Elastic Compute Cloud, Sagemaker, Notebook instance, AWS container, Simple Storage Services S3, Deployment, Multi cloud environment
- NLP: Text representation techniques, understanding text, text classification
- Libraries: nltk, spacy, gensim, textblob, BOW, TF-IDF, W2V, S2V
- Methodology: Agile,
- Project Management tool: JIRA

PROJECTS

Project 1 - Development of Credit Risk Model & Scorecard

Domain: Banking and Financial Services

Description:

Canada-based company in the peer-to-peer lending industry. Developed and implemented predictive Credit Risk Models and Scorecards. Achieved reduction in credit loss rate and facilitated faster, accurate credit decisions.

Roles:

- Utilized statistical techniques, such as logistic regression and machine learning algorithms, to develop and optimize predictive credit risk models.
- Worked closely with data scientists, risk managers, and IT professionals to align credit risk models with business objectives and regulatory requirements.

Project 2 – Face Mask Detection

Description:

Implemented computer vision algorithms for real-time object detection and recognition and Implements features for real-time monitoring, alerts, and user interaction. using frameworks like TensorFlow.

Roles:

- Develops algorithms for detecting faces and identifying the presence or absence of masks.
- Specializes in computer vision techniques for image and video analysis.
- Works on image processing, feature extraction, and object detection.

Project 3- Speech to text translation

Domain: Business Products & Communication Services

Description:

Developing an advanced speech-to-text translation system that seamlessly converts spoken language into written text. Develop a robust system capable of translating speech in multiple languages, catering to diverse user needs. using like spacy, nltk, TF-IDF, word2vec etc.

Roles:

- Implements techniques for language identification, sentiment analysis, and context-aware transcription.
- Focuses on understanding and processing the language contextually.
- Implements algorithms for adaptive learning, incorporating user feedback for continuous improvement.

Company 2

CONNEQT BUSSINESS SOLUTION LIMITED

Project 1- HP Indigo

Project 2- Adient

Description:

- I have supported the HP Indigo and Adient data science projects its manufacturing to the vehicles part.
- I have working on Application support like data analyzing, data extraction, maintaining raw data.

Company 1

ITWIZZ PVT.LTD

Project 1 - Meru Shimpi samaj

Description:

- Meru Shimpi is wedding based domestic site and used skills html, css, bootstrap, template, Ajax, basic JavaScript, CodeIgniter framework, hmvc, mvc, php.

EDUCATION

- MCA | 2019 | Savitribai Phule Pune University | 58.55%
- BCA | 2016 | Swami Ramanand Tirth Marathwada University | 74.50%
- HSC | 2013 | Maharashtra State Board | 70.50%
- SSC | 2011 | Maharashtra State Board | 60%

PERSONAL DETAILS

- DOB: 22/01/1996
- LANGUAGES KNOWN: English, Hindi, Marathi
- HOBBIES: Computer work, Travelling
- MARITAL STATUS: Married

Thank you.
