EXPERIENCE

ZERODHA

Noida

Senior Product Manager(EdTech)

06/2023 to 06/2024

- Developed ML Recommendation Algorithms:** Built machine learning-driven recommendations for Varsity Live and Zero 1, boosting user activation by 30% and retention by 20% through personalized learning content.
- Led Data-Driven Learning Paths:** Directed scalable, algorithmic learning paths, aligning ML models with user analytics to enhance engagement and learning outcomes.
- Increased Engagement through Analytics:** Leveraged behavioral insights to shape product strategy, driving a 50% rise in user engagement within 6 months by delivering targeted, adaptive content.

POLICYBAZAAR

Gurgaon

Senior Product Manager(CX)

06/2022 to 06/2023

- Enhanced customer experience: Revamped key service systems (Booking, IVR, Ticketing), boosting policy issuance by **4-5%** and CSAT by **10-15%**.
- Life Insurance Growth: Streamlined workflows (Agent Workspace, Dashboard, Payments), increasing policy issuance from **60% to 65%**.
- Reduced Attrition & Costs: Developed an employee engagement platform, saving **₹30-50M** annually by reducing turnover.
- Managed a cross-functional team to streamline agent workflows, increasing productivity and policy issuance by 5%
- Partnered with the data science team to **integrate predictive analytics models** into service flows, enabling faster and more accurate responses to user queries.

BYTEDANCE

Gurgaon

Product Manager(EdTech)

05/2020 to 06/2022

- Spearheaded the creation of **ML-powered personalized learning paths** within the SnapSolve app, boosting DAUs and MAUs by 30%.
- **Implemented data-driven insights** from user engagement to fine-tune recommendation algorithms, improving learning outcomes and retention by over 40%.
- Accelerated user growth by **30-40%** within **4-5 months** through an innovative referral program, showcasing strategic expertise in user acquisition.
- Led the launch of Solvelancer, a B2C freelancing platform connecting students with experts.
- The role concluded due to India's ban on Chinese apps.

TIMES INTERNET

Gurgaon

Associate Product Manager(e-commerce)

01/2018 to 05/2020

- Developed GMASLite, an intuitive mobile app (Android & iOS) that created seamless one-page websites, benefitting ~**25k** users and generating a revenue of ~**10 Crore**.
- **Cross-Functional Collaboration Champion:** Led the product from concept to launch, ensuring cross-team collaboration for a customer-centric product.

ACCOMPLISHMENTS

- **Founder, Pocket Furnish:** A platform offering refurbished and affordable furniture
- Awarded **Global Rising Star** at ByteDance within 6 months
- Verified Mentor on **ADPList**, **Topmate**, and **Unikon.ai**
- Founding Product/Strategy Manager at **Allrites**, shaping early growth and direction
