

Yash Naidu

ENTERPRISE ACCOUNT EXECUTIVE

Profile

A passionate and results-driven sales professional with 10+ years of experience, including 6+ years in B2B SaaS sales. I have a proven track record of identifying high-value opportunities, closing complex enterprise deals, and helping businesses expand into untapped regions—driving multifold revenue growth.

I honed my sales expertise as an SDR, mastering outbound prospecting and pipeline growth, before leading SDR teams to success through strategic sales development. Now, as an Enterprise Account Executive, I thrive in closing high-value deals, driving revenue expansion, and building lasting client relationships. With expertise in consultative selling, opportunity qualification, and deal negotiation, I ensure every partnership delivers maximum value.

Motivated by challenges and driven by results, I excel at turning opportunities into successful partnerships and expanding revenue in new markets. With a strategic, data-driven approach and a commitment to delivering value, I thrive in high-impact sales environments where growth and innovation go hand in hand.

Employment History

Enterprise Account Executive, MonetizeMore, New Delhi (Remote)

FEBRUARY 2023 — PRESENT

Drive revenue growth by collaborating closely with SDRs to convert qualified prospects into successful deals while actively managing my own pipeline of high-value opportunities. Lead sales conversations, conduct in-depth discovery calls, and navigate complex deal negotiations. Maintain CRM hygiene and sales process integrity, ensuring accurate data management and reporting for the entire sales team. Work cross-functionally to optimize pipeline efficiency, improve conversion rates, and contribute to the continuous refinement of sales strategies.

SDR Team Lead, Adpushup, New Delhi

SEPTEMBER 2021 — FEBRUARY 2023

Managed and coached a team of SDRs, driving pipeline growth and ensuring consistent performance across outbound and inbound sales efforts. Worked towards closing leads created by SDRs mentored by me as an Account Executive. Took ownership of sales and product training for new team members, ensuring they were equipped with the skills and knowledge to succeed. Collaborated with cross-functional teams to align SDR efforts with broader sales goals, optimizing processes for better conversion rates and a stronger pipeline. Played a key role in developing and refining the sales playbook.

Senior Sales Development Representative, Adpushup, New Delhi

NOVEMBER 2020 — SEPTEMBER 2021

Identified and engaged high-potential prospects through targeted outreach, leveraging personalized messaging and strategic prospecting techniques. Conducted in-depth discovery calls to assess prospects' current ad monetization setup, uncover key pain points, and qualify them based on business needs and fit.

Sales Development Representative, Adpushup, New Delhi

JUNE 2019 — NOVEMBER 2020

Senior Sales Executive, CloudUs Tech Pvt. Ltd., New Delhi
