ABOUT ME

- As an SDR, I consistently drive results in high-growth, strategic projects that require strong **lead bucketing** and **building from scratch**. After contributing to the success of the Malaysian pod, I'm now leading efforts in the *European* pod for the Belgian e-invoicing mandate.
- Top outbound performer in the Malaysia pod since its inception, generating highest Outbound pipeline and closing key deals. **Led redesign and execution** of outbound strategy with a Malaysia-specific calling agency, managing outreach campaigns and team onboarding to grow the pod from 3 to 8 member A-Team while improving overall efficiency.
- *Fun fact:* I am extremely proficient at communicating via memes
