[linkedin.com/in/victorddavid](https://www.linkedin.com/in/victorddavid)

Professional Summary:

Results-driven HR Professional with a blend of a postgraduate diploma in HR Management and 5+ years of experience in full-cycle tech and non-tech recruitment for organizations in the US, Canada, LATAM, and India. Adept at stakeholder management, HR analytics, and startup recruitment strategies. Passionate about optimizing talent management, hiring processes and talent acquisition strategies.

Work Experience:

Recruiter (Contract)

May 2025 - Present

Recruitment Intern - Co-Op

Purolator (Through Manpower), Toronto, ON January 2025 – April 2025

- Support one of the largest logistics companies in Canada, managing temp and permanent hiring, performing end-to-end recruitment.
- Performed talent management, actively maintaining data in SAP SuccessFactors. Performed resume mining and job posting optimization to attract top candidates. Evaluated 100+ resumes weekly and conducted 20+ interviews to identify qualified candidates.
- Managed onboarding processes and database tracking for active candidates and assignments.

HR - Talent Acquisition Specialist (Tech)

Canada Mentors, India

September 2022 - September 2023

- Spearheaded full-cycle recruiting for tech startups in Canada and LATAM, focusing on product-based companies.
- Collaborated with hiring managers and interview panels to align recruitment strategies with company growth.

HR - Talent Acquisition Specialist (Tech)

Teikametrics, India

December 2021 - August 2022

- Led end-to-end talent acquisition processes, ensuring the timely recruitment of top engineering talent. Partnered with stakeholders to develop data-driven hiring strategies aligned with business needs.
- Successfully filled critical software engineering roles and built and maintained strong candidate pipelines for future hiring needs.

Human Resources Executive (HR Tech)

ZoopOne, India

April 2021 - October 2021

- First HR hire for a fast-growing FinTech SaaS startup, scaling the team by 60% in four months. Led technical hiring efforts, recruiting high-performing engineers and product managers.
- Developed HR strategies and onboarding processes, reporting directly to the CEO and CTO. Negotiated competitive offers and enhanced employee retention through engagement initiatives.

IT Recruiter

Experis IT (A ManpowerGroup company)

March 2019 – April 2021

- Partnered closely with engineering leadership to deliver strategic talent acquisition solutions.

IT Recruiter

DISYS (Now Dexian)

July 2017 – June 2018

- Managed full-cycle recruiting for various IT roles, driving hiring strategy and enhancing candidate experiences.
