Work History

August 2023 - Present

- **CREDIWATCH, - Business Development Manager**

Managed and optimized lead generation pipelines from multiple sources, including marketing campaigns, inbound leads through Metabase analytics, and pre-sales team efforts.

- Utilized Mfilter software to track and analyze inbound leads, improving the identification and conversion of potential clients visiting our website.
- Collaborated with the pre-sales and internal stakeholders to ensure seamless integration and handling of leads, enhancing overall sales efficiency and success rates

September 2022 - March 2023

SIMPL, - Project Manager

- Played an essential role in ensuring that quarterly target is being achieved by the team of 8 sales professionals on onboarding 5k merchants across Distribution funnel.
- Increased sales by 25% in two consecutive quarters by implementing a new sales strategy and D2C unlock campaigns.
- Onboarded 5 large scale D2C brands and 3 enterprise brands which are consistently operating till now.
- Created and implemented new SOP's for complete sales cycles of Distribution, Enterprise and D2C funnels without sacrificing build quality or workplace safety with the customer first culture.
- Developed a good relationship between clients and the internal cross functional teams to reach the WOW and MOM goals, such as Product / Engineering / Partner success teams.

June 2021 - June 2022

ISHA Foundation Coimbatore- Volunteer

- Participated in an eight months residential program for inner transformation and to establish balance and clarity.
- Volunteered for multiple projects by handling the team of 8 volunteers which included overseas participants
- Volunteered for a Global project initiated by Sadhguru Save soil and Cauvery calling, Where my participation was working with the Govt officials and the local farmers of the villages around the Cauvery basin.

December 2019 - March 2021

BOUNCE, Bangalore - Business development Manager

- Generated new business with marketing initiatives and strategic plan, collaborated with third party vendors to develop new strategies to capitalize on emerging customer and market trends which resulted in onboarding 300 partner stations across Bengaluru.
- Sold over 500 EV's remotely with 100% customer satisfaction feedback during covid times.
- Collaborating and acquiring local vendors and making a partnership to push our products with sales and marketing departments to support business objectives such as Battery swapping stations, Power bank stations.

June 2016 - November 2019

IFB INDUSTRIES LTD, Sirsi- Franchise Manager

- Delivered services to customer locations within specific timeframes i.e. in < 24 hours post raising a ticket complaint. Which involved hiring and training a special team of service and sales executives.
- Placed future orders on suppliers to ensure part availability while considering seasonal trends and short-term requirements.
- Implemented business strategies, increasing revenue by 60%.
